[Tych Panel 2 Full Version](#)

The screenshot shows a software download page for 'Tych Panel 2'. On the left, there is a vertical collage of three images: a Ferris wheel at night, a city skyline with lit-up buildings, and a close-up of a building's facade. A pink speech bubble with the word 'New!' is positioned above the top image. To the right of the images, the text reads 'Tych Panel 2' in a large font, followed by 'The ultimate diptych, trip for Photoshop'. Below this is a green 'Download' button. Underneath the button, the following statistics are listed: 'Downloaded 7740 times', 'Current version: 2.0.1', and 'Last update: 2012-03-31'. A small portion of a software interface is visible on the far right edge of the screenshot.
